Platinum Select, LP Introduces Permanent Placement Division

Platinum Select to Fill Permanent Staffing Needs for Allied Health, Nursing, and Management

Dallas, TX - May 29, 2007 – Platinum Select, LP, a leading provider of healthcare staffing services, announces the opening of a dedicated permanent placement division in their headquarters in Dallas, TX. Platinum Select will offer permanent placement services for allied health to include radiology, X-Ray, CT, mammography, nuclear medicine, MRI, ultrasound, rehabilitation, respiratory therapy, radiation therapy, dosimetry, and medical laboratory. In addition Platinum Select will offer permanent placement services in their nursing division to include RN, LVN/PN, CNA, nurse practitioner, and CNO.

"We believe that adding permanent placement services will benefit job seekers who seek an agency who understands their job requirements and gives them the personal service they require in their job search," comments Stacey Rogers, Marketing Specialist for Platinum Select, LP. "Additionally, our client healthcare facilities benefit from the quality candidates that Platinum Select provides, as well as, our unique employment guarantee."

Hospitals, clinics, skilled nursing facilities or long term patient care facilities who choose to take advantage of Platinum Select's permanent placement services are guaranteed a refund* should a candidate's employment be terminated due to good cause within 30 days of their employment, and Platinum Select will work to immediately fill the vacancy.

For more information regarding Platinum Select's permanent placement services, please contact a permanent placement specialist at 866.953.0011 or visit our web site at www.platinumselect.org. Platinum Select offers positions in the continental United States, Hawaii, Alaska, and the U.S. Virgin Islands.
